## HOLE TEMPLATE for Bent Probes

bendtmp2.cdr 9/19/06

TEL: 386-423-3574 FAX 386-423-3709 Email: help@centroidproducts.com website: centroidproducts.com

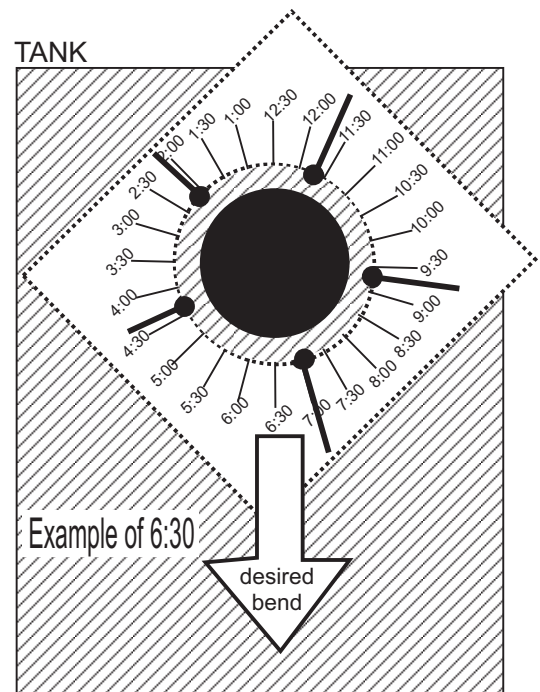

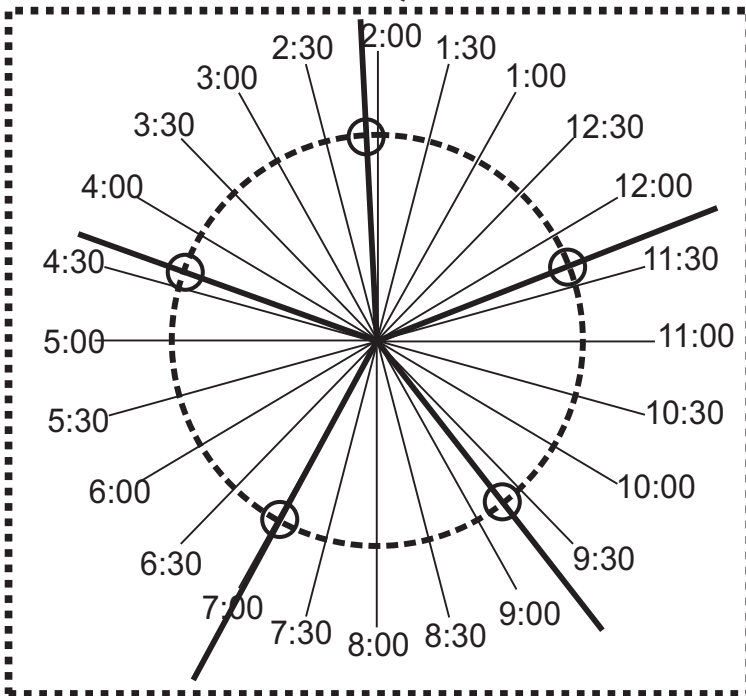

### INSTRUCTIONS

A. Cut out the dotted square and circle below. YOU MUST DO THIS. Please dont just eyeball it.

B. Rotate the cutout on the tank opening or face of the original sender (not the back) through all 5 rotations of the tick marks.

C. Once you've found the best of the 5 rotations, which o'clock number is pointing the direction you want the bend to point? \_\_\_\_\_

### CUT OUT DOTTED SQUARE AND CIRCLE

Drawing changes:  
9/19/06: Correct to actual  
size.
